

Olathe Health Systems  
Uniform Guidelines

Staff Nurses will wear the designated nursing colors as listed below. In addition to the designated color, all nurses have the option to wear Navy or White.

Many units wear the same color, so categories on the store have been set up as Royal / Navy / White and Ciel / Navy / White. Please make sure you are ordering from the correct category. If your unit doesn't wear blue, please find your correct category based on your unit name (KCC, Pavilion, etc.) Resource Nurses may order from either Royal or Ciel blue categories.
